

Afternoon delight team members,

Long time no see!

It was an astonishing day yesterday (23/02/2025) at the Balwin Pretoria Marathon. Our team was there as a unit, and I must say the synergy and commitment of this team are heartening. We are progressing steadily. Let's continue with our awesome work to a successful outcome.

It's Monday, and it doesn't have to be all that bad. In fact, it can be seen as a fresh start and the perfect day of the week to seek out new opportunities.

It's our time trials tomorrow, and it's going to be a good atmosphere and good mood as per usual. The second month of the year is almost over, and I hope our plans for the year are flourishing and making strides.

May you all be blessed with personal growth, love, and joy for the small and big things in your life.

Way to go, team, and we'll catch up later
