

Good morning Team. It has been a spectacular year so far, and the team's high spirits truly keep me motivated. Remember, consistency is the key to creating sustainable and long-term success.

It was great to see strong attendance at both the Eersterust Soccer Stadium and Mayville Shopping Centre. I also want to thank everyone who helped at the water points during last month's Baldwin Pretoria Marathon.

Looking ahead, the 2026 Totalsports Two Oceans Marathon takes place on April 11th–12th in Cape Town. Best of luck to all our participating teammates—may your efforts yield great results. League races are also coming up rapidly, and I am looking forward to returning to running myself. Finally, get ready for an exciting Easter time trial. This season is a feast of feasts, and I am simply egg-static to be in this team and there is no bunny like you.

Way to go, and, catch you later.
